

**POSITION TITLE: TREATMENT NETWORK EVALUATOR
(PART TIME – HOURLY)**

SUPERVISED BY: Prevention & Treatment Administrator

SUPERVISES: As Needed

DATE APPROVED: August 18, 2023

EXEMPTION STATUS: Exempt

Position Responsibilities:

1. Conduct site visits at sub-contracted CCGNJ treatment providers locations.
2. Represent CCGNJ on task forces, committees and coalitions and advocate on CCGNJ's behalf {e.g., Association for Professionals Treating Problem Gambling (APTPG)}; continuously provide information to these groups regarding CCGNJ's services and importance of recognizing problem and disordered gambling as a treatable illness as directed by the Prevention & Treatment Administrator and Executive Director.
3. Maintain knowledge of current problem and disordered gambling issues;
4. Assist in ongoing activities to identify gaps in services, evaluate service delivery and make recommendations for enhancements (e.g., obtaining data from pre and posttest to generate outcome measures).
5. Provide outreach to potential providers and facilities to expand treatment network, especially in areas not currently represented.
6. Perform other related duties as assigned.

Position Requirements:

1. Minimum Bachelor's Degree
2. Possess a CADC or equivalent credential with 3yr clinical experience.
3. Possess the International Gambling Counselor Certification (ICGC) or International Co-Occurring Gambling Specialist (ICOGS) certification or in progress of obtaining.
4. Computer literate (Microsoft Office, Outlook). Familiarity with GEARS or willingness to learn.
5. Ability to multi-task

**Current CCGNJ Network Providers (Who Intend to Remain in the Network) & Their
Employees are Not Eligible to Apply**
