

Dear Treatment Services Provider Applicant:

The Council on Compulsive Gambling of New Jersey, Inc. (CCGNJ) is inviting you to apply for participation in its Network of Gambling Treatment Providers. The State of New Jersey, Division of Mental Health and Addiction Services (DMHAS) has contracted with CCGNJ to expand the Gambling Provider Network to address the needs of eligible New Jersey residents diagnosed with a Gambling Disorder (DSM-5: 312.31) who are eighteen (18) years old and older. Adult family members and/or loved ones of problem/disordered gamblers may also be served under this initiative. Please note that all providers who are recruited must possess: (1) an active professional license, (2) a certification to treat problem and disordered gamblers (International Certified Gambling Counselor, ICGC-1 or II); or (3) agree to earn an ICGC within one (1) year of CCGNJ's approval to participate in its Network.

Interested and eligible clinicians and agency applicants are required to complete, sign, and return the Network Clinician Application form, and the accompanying documents (see listed Checklist of Provider Documents) within thirty (30) days of receipt of this letter. To be considered for Network participation, all documents must be submitted to:

Leonard Brazer, PT Treatment Coordinator/NJ GEARS Monitor
Council on Compulsive Gambling of NJ, Inc.
3635 Quakerbridge Road, Ste 7
Hamilton, NJ 08619

Subsequent to reviewing your application and accompanying documents, CCGNJ will determine your initial eligibility for Network participation. The Council on Compulsive Gambling of New Jersey reserves the right to conduct an initial site visit of the facility where services are proposed at its discretion to further assess Network eligibility.

Upon receipt of your application and all required accompanying documents, CCGNJ will send you the Professional Service Agreement (PSA). The PSA states the terms of the Network Agreement and should be reviewed thoroughly by the Services Provider before executing it and returning it to CCGNJ. (A copy is included in this list for your review).

Eligible applicants will be accepted into the Network on a rolling monthly basis. An electronic copy of your original application and all supporting documents may be sent by email to Leonard@800gambler.org. We recommend that you retain a copy of the paperwork for your records.

Should you have any questions about the materials or eligibility for the Network of Gambling Treatment Providers, please call Leonard Brazer at 973-216-7453.

Thank you for your cooperation and anticipated participation in CCGNJ's Network of Gambling Treatment Provider Network pending the review and processing of your submitted materials.
