Mission Statement

Our mission is to address clinical issues and treatment approaches for disordered gambling problems while fostering a common voice and forum among professionals and concerned individuals.

Who We Are

The Association of Professionals Treating Problem Gambling (APTPG) is comprised of professionals and concerned individuals dedicated to assisting and understanding those struggling with disordered gambling and their affected loved ones. Through collaborative efforts, we enhance our knowledge base and skills to continually improve the standards and practices in treating and supporting those affected by disordered gambling. We focus on defining and implementing state-of-the-art criteria and best practices for prevention, treatment, and recovery in this field.

APTPG hosts educational and informative workshops at each meeting. Each workshop may award 2 gambling CEs to paid attendees. Seize this opportunity to share and gain knowledge.

APTPG meets quarterly on the third Saturday morning of February, May, August, and November. Meetings are held virtually and when possible, in person, at the New Jersey Law Center, One Constitution Square, New Brunswick, NJ 08901 with a hybrid component via Zoom. Prior to the workshop, a complimentary breakfast buffet is served, followed by a brief business meeting, with a discussion of current gambling trends, policies, and news.

Here are some examples of past APTPG workshop presentations:

“A Peer Support Model for Outpatient Gambling Treatment”

“Language of Recovery – Combating Gambling Addiction Stigma”

“The Hidden War: Problem Gambling Among Veterans”

“The Nexus of Video Gaming and Gambling”
